13 Dear Sir:

14 **Response to Office Action, Unnumbered Paper dated June 2, 2005**

15 1. This responds to the Patent Office communication dated 06/02/2005. Please enter the  
16 following amendments, canceling claims as set forth below, and reconsider this application in  
17 light of the claims as amended. As so amended, the applicant believes he has complied with  
18 all requirements expressly set forth in Office Action dated June 2, 2005, and this application is  
19 therefore in a condition for issuance of a Notice of Allowance. Please note that all pending  
20 claims of this application are listed below, each section of amendments and remarks beginning  
21 on a separate sheet, consistent with USPTO Final Rule under 37 CFR 1.121, effective July 30,  
22 2003. Accordingly, all claims being canceled (if any), and all new claims (if any), are so  
23 indicated, and all claims being currently amended (if any) are presented with markings to  
24 indicate the changes that have been made relative to the immediately prior version. Further,  
25 changes are shown by strikethrough (for deleted matter) and underlining (for added matter),  
26 and a "clean version" is not separately presented. A Petition for Extension of time under 37  
27 CFR 1.136 is being submitted with this Response.
